

**The Story Of The World: A Simple History For Boys And Girls  
Elizabeth O'Neill**

I could not tell you all the things which have ever happened in the world, but I have tried to tell you shortly about all the most important things from the very beginning, even before people had come into the World at all, right down to our own wonderful times. I have chosen the greatest men and women to tell you about, and in reading their stories I hope you will understand better something of what the times were like in which they lived, and what the other people too were like who were not so great and the kind of lives they led. . . . Indeed, there were many tales I could have told you which are often told to children as history, but are not true at all. I hope you will like those I have told just as well, for after all history should be true. - Summary by Elizabeth O'Neill
